WHS

Each person is placed on earth for his own special purpose. Some choose to be teachers, one of the most painstaking and yet gratifying challenges there are. So is Mrs. Sally Odor. Though law requires her to retire from her life work as a teacher at WHS, no one can retire her from the memories and hearts of the hundreds of students whom she guided through their early lives at WHS. To you, Miss Sally, we the class of '63 dedicate this '63 BILLTONIAN.

Class Will

We, the Senior Class of Williamstown High School and State of Kentucky, being of sound mind and memory, do hereby make, publish and declare this to be our last will and testament.

We the class of '63 will our status as Seniors to the class of '64 and with it the honor and esteem to wear the class ring, a symbol of the beginning of success.

To the Juniors we will the added responsibilities of upperclassmen. May their last two years be filled with many exciting high school experiences.

To the Sophomores we will the desire to keep the school spirit perpetual and constant.

To the Freshmen we will the anxiety, interest, and patience to become Seniors.

Class History

ACT I

In September of 1959 we walked onto the stage as Freshmen with 35 students. We were nervous and unsure of what our lines were to be as all "green freshmen" are. We were led through that year of planning by our sponsor, Mr. Paul Watts, and our president, Joy Roland. The most exciting and "hot" scene was our initiation. Mary Bobb Shipp represented our class as a cheerleader.

ACT II

As Sophomores, we were more at ease on this new stage and we played our scenes well. We begun the new act with a cast of 28. Four of our girls got married and left us to start a new "play" on their own. Our president was Jane Juett and our sponsor was Mr. Charles Alphin. Mary Bob Shipp, Sharon Mulberry, and Jane Juett were cheerleaders from our room. Tommy Walters, Jim Rodgers, and Bill Webb were on the basketball team.

ACT III

Having gained 3 and lost 6, we came up with a grand total of 25 to start our Junior year. We no longer had "stage fright." We were sure of our parts and were learning our lines well. Mrs. Patsy Foree was our sponsor and Bill Webb was the president. We received our class rings before the end of the year. Mary Bob Shipp, Sharon Mulberry, and Loretta Daugherty represented our class as cheerleaders. Five of our boys were on the Varsity team and three were on the Junior Varsity.

ACT IV

We knew we were now close to the "curtain" on one "play" and about to decide which "play" we would enter next. This act was filled with the best scenes of all. One of the biggest scenes was our trip to Florida. Our sponsors were Mrs. Don Fuller and Miss Betsy Burgin. Our president was again Jane Juett. The next biggest scene was that of choosing invitations and being measured for caps and gowns. Then came our last thrilling but sad scene when we took our "bows" in our graduation and commencement exercises.

It's Been a Good Year for Sports . . .

It's been a good year for the Demons of 'Dear old Billtown High' for those who coached them, and also the faithful fans who cheered for them. In our basketball team we sported a team that must be rated among the best. It was a clean, hard working team with winning ways and qualities of good sportsmanship.

The Demons were a mature team that learned how to win and to lose.

Not only was the high school varsity successful but the junior varsity was a highly respectable team.

The Demons of 1962 and '63 will long be remembered for their contribution of rugged determination of spirit which helped the entire student body and faculty to have a wonderful year.

The Midget Team is not to be left out. They honored W. H. S. by winning two tournaments this year. Their record is one they should truly be proud of.

When basketball season is over, baseball comes in to give everyone a sense of competition. Our baseball team although they didn't win many games, again proved to their school that sportsmanship and defeat are all in the game.

MIDGET: Judy Bennett, Judy Cleveland, Brenda Porter.

Cheerleaders

B. TEAM: Patsy Kenner, Judy Ashcraft, Sue Martin.

VARSITY: Captain Connie Lowe, Lucy Kinman, Deannie Beach, Penny Austin, Stella Skirvin.

Under the skillful direction of Miss Burgin and Miss Eckler, cheerleading sponsors, the cheerleading squads have developed wonderfully this year. They have done an excellent job of coaching and they and the cheerleaders have contributed greatly to the success of the teams.
